

**Directions:**

1. Cut out the two circles.
2. Punch small hole through center white dot.
3. Place green circle with “window” on top of circle with pictures.
4. Insert paper fastener to attach two circles together.
5. Rotate top piece to display each day of creation week in order.
6. Use while teaching or as review of days of creation.

Excellent gift for each child, too. Order from My Bible First!

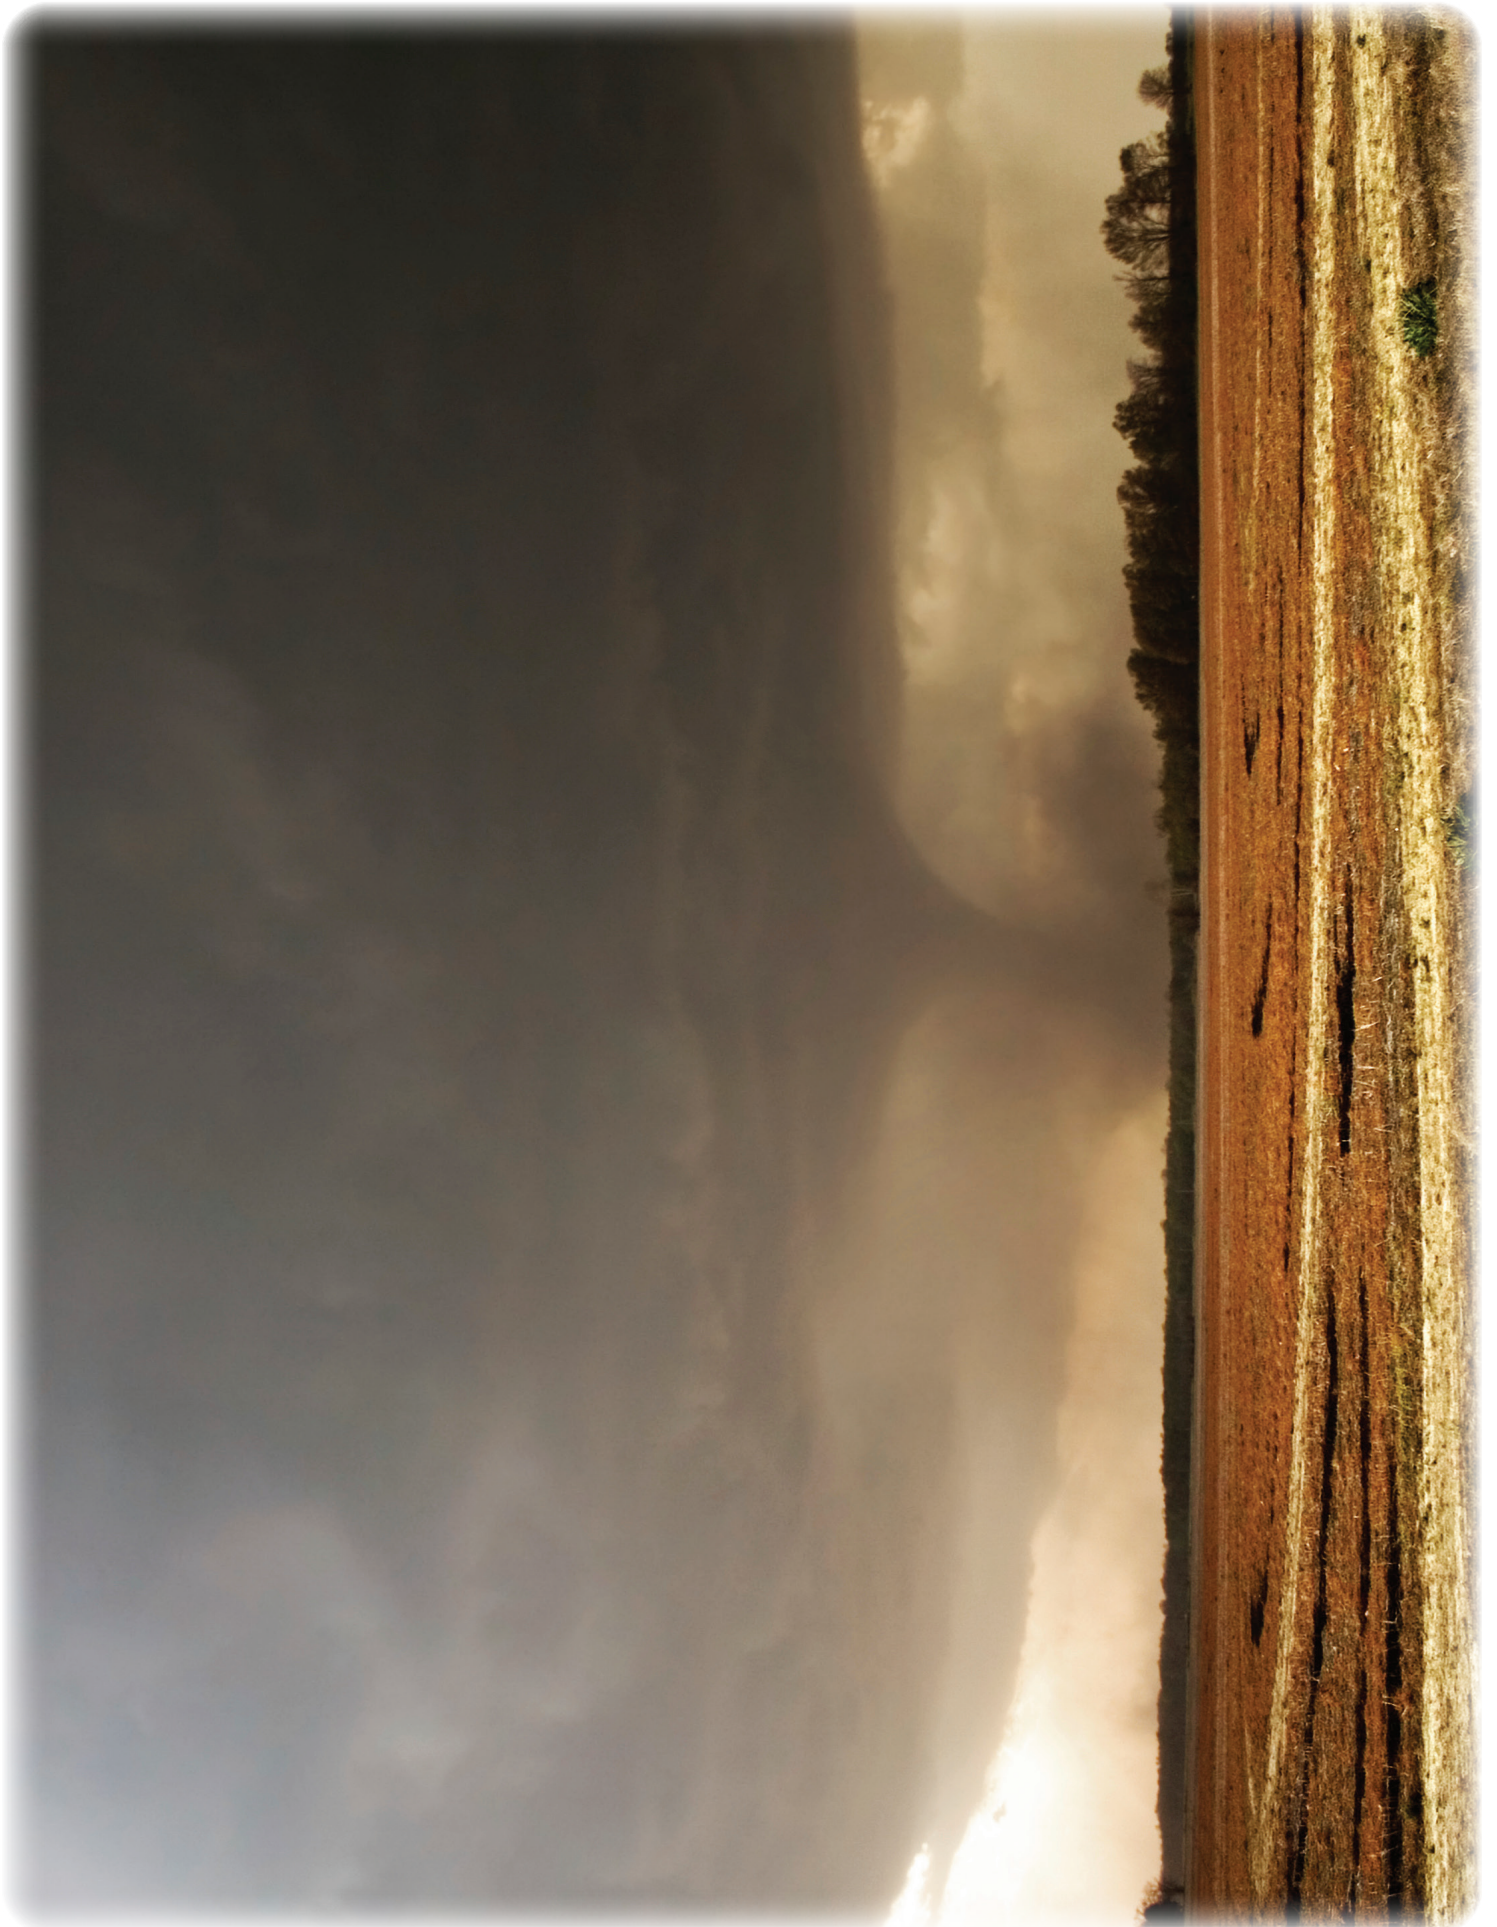

Additional copies only \$0.30 each.
